KINGSLAKE NIPPERS

Dear Parents,

Kingslake "Nippers" is a program designed for preschool children. The aim of the program is to familiarise young children with the school environment and provide them with a range of activities, with a focus on stories, art, craft and lots of fun.

As there are 2 kinder groups this year who attend on different days, we have decided to run our Nippers program on Tuesday and Thursday afternoons on a fortnightly basis, to cater for all students.

The program will run on a 2 week rotation, with one session running on the Tuesday and the second session running on the Thursday. We hope that this arrangement will meet the needs of all children and ensure that they all have the opportunity to attend if they wish.

All children are most welcome to attend! Please contact the school if you would like more information.

KINGSLAKE NIPPERS 2018
